TYPE: _____ DATE: _____

NOTES: _____

40W CONSTANT VOLTAGE HARDWIRE DRIVER

ITEM#: DVR-HWB-CV-24DC-40W

• Production Description

Commercial grade constant voltage Triac dimming hardwire driver. For use with 24V DC lighting Product.

• Product Features

- Fully isolated aluminum casing.
- Universal AC input 120V - 277V.
- Class II certification.
- Triac and magnetic low voltage dimming.
- Suitable for dry or damp locations.

Product Specifications

Size (LXWXH)	6.77" X 2.67" X 1.3"
Input Voltage	120V - 277V AC, 50 - 60Hz
Output Voltage	24V DC
Wattage	40W
Rated Current	1.66A
Dimming Compatibility	Triac and magnetic low voltage
Minimum Load	5%
Maximum Load	100%
Short Circuit Protection	Hiccup mode recovery
Overloading Protection	≤120%
Operating Temp.	-25°C to 45°C
Class II Rating	Yes
Location Listing	Damp
Certification	
Warranty	5 years
